

World Heart of Connection Day

♥ *September 4th* ♥

Through tragic events, the World connects,
with compassion for humanity and our planet.

World Heart of Connection Day is about bringing that
same sense of compassion and humanity by uniting at a
synchronised time, to meditate and radiate love and
blanket Mother Earth with collective healing.

Together we can make a difference.

- 11 Minute Guided Meditation
- Crystal Sound Bowls / Sound Healing
- Special Guest MC Roxie Bennett
- Live Music

Everyone welcome! Please join us at **12:30pm** on
Wednesday 4th of September 2019
on the Bunya Lawn area at the Geelong Botanical Gardens.
It is essential to arrive on time (12.30pm) as there will be a
sequence of performances, a meditation
and guidance for the hour.
